WEDDING COST WORKSHEET

Thank you for asking about our Costs Worksheet. This may be helpful for preliminary planning. Please make an appointment to inspect the premises in person before finalizing your budget. The actual cost of a wedding varies depending on the simplicity or elaborateness of your wedding plans.

Description	Cost	Notes
Wedding Ceremony (Sanctuary)		<p>1. We have 12 aisle candelabra which attach to the ends of pews to decorate the wedding service. (See photo on the Photo page of www.hollywoodwedding.org. These may be used either for candles or to drape informal sprays of flowers, or both. When candles are used, a higher cost pertains to cover the candles and any wax spillage/removal.</p> <p>2. This represents our cost for pinning, removal and dry cleaning.</p> <p>3. Advisable for larger events (150+ guests) to coordinate off-site parking.</p> <p>4. If you want your wedding ceremony on the beach, at the lakeshore, a friend's garden, etc., this honorarium is requested for the pastor or priest officiating.</p> <p>5. The organist and soloists may not need to attend your wedding rehearsal (a recommended event, usually scheduled 1-2 days before the wedding). In the event you have elaborate musical requirements and/or are bringing your own soloist, a rehearsal is advisable.</p> <p>6. You may know of someone you would like to consider to as a soloist, accompanist or to provide live music. Honoraria or payment for these individuals would be your responsibility. If your accompanist will be using the grand piano or harp, this fee is requested to cover our cost for routine care and tuning.</p> <p>7. Durkee Hall seats up to 200 guests comfortably. We have round tables (6 persons each) and 225 padded banquet-style chairs. <i>Note:</i> There are three convenient restrooms on the same floor, including one which is fully handicap-accessible. Durkee Hall is below the Sanctuary, but can easily be reached by elevator or by ramped exterior walkways from the street.</p> <p>8. Use of Kitchen by your catering services.</p> <p>9. Small receptions can be held on the lawn in our gated Courtyard (2,000 sq. ft.) in nice weather. Ideal for simple receptions (stand-up, or up to 60 guests seated at tables). Not suitable for dancing or for amplified music after 9:00 p.m.</p>
